OUR STORY
At Rodney Strong Vineyards we focus on modern artisan winemaking, exclusively from Sonoma County, California. Our family-owned winery is committed to quality wines and to protecting our resources for the future. We are solar powered, certified sustainable, practice Fish Friendly Farming and Sonoma County’s first carbon neutral winery.

HISTORY
Rod Strong was among the first modern wine pioneers with a vision to plant Pinot Noir in the Russian River Valley. In 1968, he planted our heritage River East Vineyard in the alluvial clay-loam soils adjacent to the winery in Healdsburg. Today the Russian River Valley is well established as one of the premier Pinot Noir growing regions in the world.

THE VINTAGE & VINEYARD
Early winter showers, with a good amount of rain, were followed by a warm, dry spring. Alternating overcast days and heat waves continued through spring and summer, with a warm July and August. We harvested the fruit from August 12 to 30 from the River East Vineyard, Jane’s Vineyard, and Preston Vineyard, all in the heart of the Russian River Valley.

TASTING NOTES
The beautifully colored fresh and vibrant Rosé of Pinot Noir has aromas and flavors of strawberry, white peach and jasmine. Brilliant and bright with fresh acidity and a wonderful lasting juicy finish. Enjoy this Rosé of Pinot Noir with goat cheese, fresh seafood dishes and summer salads.
